

Space Management

Your Trusted Local Partner for Foreign Direct Investment in Indonesia

Structuring Business. Facilitating Investment. Closing Deals.

Company Profile 2026

 Based in Bali | Operating National & International

Who We Are

Space Management is a Business & Investment Consulting firm focusing on:

- Strategic Investment
- Foreign Direct Investment (FDI)
- Deal Facilitation and Business Structuring

We act as a trusted partner connecting investors, asset owners, and business owners to collaborate in a structured, professional, and sustainable manner.

Our Role

Space Management does not operate as a broker or short-term transaction intermediary.

- Structure Businesses and Investments
- Connect the Right Parties
- Manage Processes and Relationships
- Ensure Deals are Realistic, Healthy, and Executable

Who We Work With

We work with:

- Local and international investors
- Asset owners (Property, Hospitality, Energy/Mining, Technologies, etc.)
- Business owners and founders
- Project owners and strategic partners

Each engagement is built on alignment, trust, and professionalism.

What We Do (Core Services)

Core Services:

1. Business & Investment Advisory

- Business and asset structuring
- Growth and expansion strategy
- Partnership and joint venture advisory

2. Deal Facilitation & Investment Matching

- Investor ↔ Asset / Business Owner
- Deal structuring, negotiation, and closing

Foreign Direct Investment (FDI) Support

We support foreign investors through:

- Market entry strategy
- Investment Structuring
- Legal and Licensing coordination (PT PMA)
- Local partner and project matching

Our objective is to enable secure and executable investments in Indonesia.

Supporting Services

As supporting capabilities, Space Management also provides:

- Legal and business compliance support
- Property and hospitality management
- Digital and investment narrative development
- Talent and operator matching

These services exist to strengthen deal readiness and execution.

Focus Sectors

We work across industries, with focus on:

- Property & Hospitality
- Energy & Mining
- Technology & Digital
- Carbon & Sustainability
- Strategic Equity & Capital Markets

How We Work

Our approach is structured and relationship-driven:

1. Understanding objectives and expectations
2. Assessing opportunity readiness and structure
3. Strategic matching through our network
4. Deal facilitation and negotiation
5. Supporting execution until closing

Our Network

Our strength lies in a broad and curated network, spanning:

- Investors (Local & Global)
- Asset and Business owners
- Operators and Professional Partners
- Advisors Across Industries
- Banking & Financial Institution

We manage long-term relationships, not just introductions.

Why Space Management

Clients work with Space Management because:

- we take a business-first perspective
- we operate across industries
- we apply structured and realistic processes
- we prioritize relationship quality
- our engagement is flexible and result-oriented
- Experienced Team: Our team brings a wealth of knowledge and hands-on experience

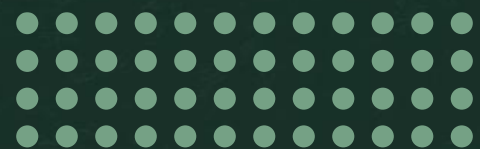

Our Philosophy

- We don't chase deals.
- We structure opportunities.
- We protect relationships.

We believe that strong relationships are the foundation of sustainable business and investment.
